25X1

No aircraft were parked at the Hagenow (M 54/T 24) airfield. A sentry with red-bordered, black epaulets was posted at the field entrance gate. No motor vehicles were seen. The airfield appeared to be occupied by only a small guard detail as no activity was observed.

           Comment:

The airfield is not occupied by a Soviet Air Force unit. An army unit is apparently quartered in the field barracks.
